WHO are the owners?

Bill and Angie Richter

WHY Colerain? What is your connection?

Angie and I grew up in Oxford and College Corner. Bill had a Grandma who lived on Roundtop and I spent a lot of time in Colerain and at Northgate Mall. So after we married we moved to Colerain. We have 3 children – 2 girls and a boy. We enjoy learning about Colerain's history; especially seeing the old pictures from the past.

Our oldest daughter works for the company and in Fall of 2021, he husband joined the team. **One Stop Pest Control is truly a local "family" business.**

WHAT is your business? We are your **One Stop** solution for all your pest control needs. We specialize in ants, bedbugs, spiders, termites, and many more.

In 2021, One Stop began offering a mosquito service program "In2care". It reduces the biting mosquito population by as much as 90% in a covered area. It spreads the active ingredients to other sites (like your neighbor's yard). It works 24/7 rain or shine. **It is safe around your children and pets, AND unlike the misting treatments offered by other companies, it will not kill bees or butterflies!**

WHERE are you located? Located in Colerain Township; we service Cincinnati, Northgate, Pleasant Run, Monfort Heights, White Oak, and surrounding areas.
